**Over 50 Years of Supplying Quality Paint
Applicators**

Prager Brush Company **welcomes** you to its website! We appreciate your interest in our products and hope that you will soon learn why we have been “Brush’n Away the Competition” for over 50 years.

Brushes are not our only business. Our product line includes a wide variety of paint applicators from inexpensive, disposable paint brushes and rollers to premium quality professional painting tools and accessories. Our large inventory gives us the ability to fill all of your needs quickly whether you need a 5/0 artist brush or a 30” roller cover. We are very proud of the fact that our wholesale distribution network includes hardware and paint stores as well as marine distributors and roofing supply houses.

Can you purchase our products if you are a do-it-yourself homeowner or professional painter? The answer is YES! We would like for you to experience the difference between our products and those of our competitors. Simply contact us either by phone, fax, or e-mail and we will direct you to one of our dealers in your area. We do not sell to mass merchandisers such as Home Depot or Lowes.
